## Projects

### Youtube Bookmarker Chrome Extension:

- The YouTube Bookmarker Extension displays an icon on the YouTube video player whenever you navigate to a YouTube page. This icon allows you to bookmark a specific timestamp on any YouTube video.

### Infinite Scroll APP

- Infinite scrolling is a technique commonly used in web development to load and display content continuously as the user scrolls down a page, without requiring them to click a "Load More" button or navigate to another page

### Real Estate Website using react

[View](#)

- Designed and developed a responsive real estate website using React, providing users with an immersive experience to explore property listings
